

CSH Social Innovation Fund
Annual Subgrantee Face to Face
September 30 and October 1, 2015
University of Michigan, Ann Arbor

Face to Face Meeting Agenda
Day Two: Henderson Room, Michigan League

8:00 – 8:45 Evaluation Meeting – Michigan Team *Meet in the lobby of the Campus Inn (615 E Huron St., Ann Arbor, MI)*

8:30 – 9:00 Breakfast

9:00 Welcome – Peggy Bailey, CSH

9:00 – 10:30 Innovations in SIF – Data-Driven Targeting: Lessons Learned and Implications for Replication Facilitators: Kevin Irwin and Betsy Branch, CSH
This will be an interactive, facilitated session addressing the outcomes of each site's data-driven targeting approach and implications for replicability. What patterns of utilization or medical/behavioral conditions emerged at each site and across the demonstration? What factors should future implementers take into account when choosing a targeting approach? Each site should have systems level and on-the-ground implementers prepared to engage in conversation around discussion questions that were circulated to sub-grantee leads prior to the convening.

10:30 – 10:45 Break

10:45 – 12:00 Team Sustainability Working Sessions
Facilitators: Sarah Gallagher and Peggy Bailey, CSH
These sessions will provide an opportunity for each of the sites to talk within their team and with a national expert on what is happening in Medicaid in their state and to strategize on how to best leverage Medicaid to sustain the SIF efforts. The result of these meetings will be an action plan to leverage Medicaid moving forward that will be implemented in the next year.

12:00 – 1:00 Lunch

1:00 – 2:00 Telling the “Housing is Health Care Story”
Guest Speaker: Fred Karnas, The Kresge Foundation
Fred Karnas joined The Kresge Foundation in 2013, bringing with him extensive experience working on issues at the intersection of housing, health, and human services and the needs of vulnerable populations. CSH has invited him to share his experience and knowledge on how SIF sites can tell their story to foundations and government in order to sustain and scale their projects. This session will allow significant time for Q & A and open discussion.

2:00 – 3:45 Communications Workshop
Communications experts from CSH are traveling to Ann Arbor for this year's Face to Face convening in order to capture video testimonials from each site, producing communications tools for each site to use when they return home. This session will complete Day One's "Story Telling Action Lab" and will focus on interviewing pre-identified stakeholders on camera.

3:45 – 4:00 Wrap Up and Adjourn – Peggy Bailey, CSH
