

{SPEAK UP!}

SUPPORTIVE HOUSING COMMUNITY ADVOCATES

Help someone Speak Up!

Interested in helping someone develop a story about their **transition out of homelessness**? Volunteers will have the chance to collaborate and work one-on-one with people who need their voices heard. We welcome all who are interested and have at least intermediate skills in public speaking, storytelling, and/or story development. Speak Up coaches will also be able to develop mentoring and leadership skills while contributing to the personal and professional growth of others.

For more information please contact the program coordinator
