CSH SUPPORTIVE HOUSING
VIRTUAL SUMMIT 2020
Planning Beyond the Crisis

JUNE 23-26

Sponsorship Opportunities
CSH’s Virtual Summit 2020 will convene change-makers across the supportive housing field and equip them with the knowledge and tools they need to navigate the COVID-19 crisis and re-build more inclusive and resilient systems. The Virtual Summit offers a platform for conversations about what matters right now and how we ensure a better future as the long-term impacts of the crisis unfold.

Each track will have one day focused on best practices for working within the crisis, and one day dedicated to moving beyond the crisis. CSH anticipates offering at least 10 hour-long sessions over the course of 4 days. Topics will include racial equity, organizational resilience, care coordination, listening to lived expertise, federal policy, tracking data in the crisis and more.

**Tracks:**
- Supportive Housing Programs: From Crisis to Resilience
- Transforming to More Equitable, Sustainable Systems

With a virtual platform, CSH will be able to significantly expand our capacity for attendees. All sessions will be recorded and made available to registered attendees after the conference to serve as a permanent resource for the supportive housing industry, providing sponsors with long-term exposure.
