## Independent Auditor's Report

To the Board of Directors  
Corporation for Supportive Housing

Report on the Audit of the Consolidated Financial Statements

### *Opinion*

We have audited the consolidated financial statements of Corporation for Supportive Housing and its Subsidiaries, which comprise the consolidated statements of financial position as of December 31, 2021 and 2020, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of Corporation for Supportive Housing and its Subsidiaries as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Corporation for Supportive Housing and its Subsidiaries and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion. The financial statements of certain subsidiaries were not audited in accordance with Government Auditing Standards.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Corporation for Supportive Housing and its Subsidiaries' ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Corporation for Supportive Housing and its Subsidiaries' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Corporation for Supportive Housing and its Subsidiaries' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### *Supplementary Information*

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidating statements of financial position, consolidating statements of activities, and the accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* ("CFR") Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for the purpose of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the

supplementary information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

*Other Reporting Required by Government Auditing Standards*

In accordance with Government Auditing Standards, we have also issued our report dated June 27, 2022 on our consideration of Corporation for Supportive Housing and its Subsidiaries' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Corporation for Supportive Housing and its Subsidiaries' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Corporation for Supportive Housing and its Subsidiaries' internal control over financial reporting and compliance.

## Corporation for Supportive Housing and its Subsidiaries

### Notes to Consolidated Financial Statements December 31, 2021 and 2020

#### Note A - Organization and its significant accounting policies

##### Organization

The Corporation for Supportive Housing ("CSH") is a publicly supported not-for-profit organization, incorporated in the State of Delaware on January 25, 1991.

It is CSH's mission to advance housing solutions that deliver three powerful outcomes: (i) improve lives for the most vulnerable people; (ii) maximize public resources; and (iii) foster strong, healthy communities across the country. CSH is working to solve some of the most complex and costly social problems our country faces like those related to homelessness. It offers capital, expertise, information and innovation that allow partners to use supportive housing to achieve stability, strength and success for the people in most need. CSH blends 30 years of experience and dedication with a practical and entrepreneurial spirit, making it the source for housing solutions. CSH is an industry leader with national and local influence. CSH is headquartered in New York City with staff stationed in more than 25 states around the country. CSH's primary sources of financial support come from grants, contributions and contract service revenue as well as fees and interest income earned on originating and managing loans receivable.

In 2011, CSH became certified as a Community Development Entity ("CDE") under the New Markets Tax Credit ("NMTC") Program of the United States Department of Treasury and, as of December 31, 2021, has been awarded \$320,000,000 in NMTC allocations to support the innovative financing of supportive housing projects throughout the United States. To assist in administering the NMTC Program, during 2011, CSH formed a wholly-owned Delaware Holding Company (the "HC"). In addition, CSH formed four Delaware limited liability companies (the "LLCs") in 2011, six LLCs in 2015, five LLCs in 2017, five LLCs in 2018, five LLCs in 2019 and five LLCs in 2020 to obtain designated equity investments from investors and to make qualified low-income community investments under the terms of the NMTC program. CSH is the managing member of each LLC. As of December 31, 2021, of the thirty LLCs that have been formed, twenty-five have entered into NMTC based agreements. Of these twenty-five agreements, three reached the end of their seven-year compliance period during 2019 and unwound the NMTC structure. The LLCs relating to these investments were dissolved in 2019 leaving twenty-two active NMTC investments as of December 31, 2021. As the managing member, CSH will be entitled to 0.01% of any income earned by each LLC. In addition, as the managing member, CSH is also entitled to upfront suballocation fees and annual management fees related to any NMTC-qualified equity investment.

During 2013, CSH formed The Supportive Housing Solutions Fund (the "Solutions Fund"), a wholly-owned single member LLC, incorporated in the State of Delaware. The Solutions Fund was created in order to attract loan capital from investors that would enjoy a greater degree of flexibility in terms and conditions and the dollar amounts of secondary loans made by the Solutions Fund; the geographic location of the Solutions Fund's ultimate borrowers; and in the amount of the loan loss reserves required to be carried by the Solutions Fund.

During 2016, CSH formed The Denver PFS, LLC, special-purpose vehicle ("Denver PFS SPV") in partnership with Enterprise Community Partners, Inc. and incorporated in the State of Delaware. CSH has a 50% ownership of Denver PFS SPV and serves as project manager. Denver PFS SPV was created for the purposes of entering into a Social Impact Bond Contract with the City and County of Denver, in which if certain outcomes are achieved, Denver PFS SPV will receive success payments and funds will be distributed to lenders to repay loans made to Denver PFS SPV for the project.

## **Corporation for Supportive Housing and its Subsidiaries**

### **Notes to Consolidated Financial Statements December 31, 2021 and 2020**

During 2017, CSH formed JIR PFS, LLC, special-purpose vehicle ("JIR PFS SPV") in partnership with National Council on Crime and Delinquency and incorporated in the State of Delaware. CSH has a 50% ownership of the JIR PFS SPV and serves as the fiscal agent. The JIR PFS SPV was created for the purposes of entering into a Pay for Success Contract with the County of Los Angeles, in which if certain outcomes are achieved, JIR PFS SPV will receive success payments and funds will be distributed to lenders to repay loans made to JIR PFS SPV for the project.

#### **Principles of consolidation**

The accompanying consolidated financial statements of CSH include the accounts of CSH, the Solutions Fund and the HC (collectively, the "Organization"). CSH's investments in the LLCs are accounted for using the equity method. All significant intercompany balances and transactions are eliminated in consolidation.

#### **Basis of accounting**

The accompanying consolidated financial statements of CSH and its Subsidiaries have been prepared using the accrual basis of accounting and conform to accounting principles generally accepted in the United States of America ("US GAAP"), as applicable to not-for-profit entities.

#### **Use of estimates**

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and revenue and expenses, as well as the disclosure of contingent estimates.

#### **Cash equivalents**

For financial reporting purposes, CSH considers all highly-liquid investments purchased with maturities of three months or less to be cash equivalents, with the exception of cash and short-term investments that are designated to be part of CSH's long-term investment portfolio.

#### **Loans receivable**

Loans receivable are carried at their unpaid principal balance, less an allowance for loan losses. Interest on loans is generally recognized over the term of the loan and is calculated using the simple-interest method on the principal amounts outstanding.

Additionally, CSH has entered into certain loan participation agreements with other organizations as the lead lender and generally accounts for these loan participations as sales by derecognizing the participation interest sold. No gain or loss on sale is incurred. CSH accounts for the transfer and servicing of financial assets based on the financial and servicing assets it controls and liabilities it has incurred. CSH retains the servicing rights on these participations. Since the benefits of servicing approximate the costs, no servicing asset or liability is recognized. As of December 31, 2021 and 2020, the balance of loan participations serviced was \$28,906,398 and \$48,810,926, respectively, and is included as an offset component of loans receivable, net on the accompanying consolidated statements of financial position.

## Corporation for Supportive Housing and its Subsidiaries

### Notes to Consolidated Financial Statements December 31, 2021 and 2020

#### **Allowance for loan loss**

The allowance for loan loss is maintained at a level that, in management's judgment, is adequate to absorb potential losses inherent in the loan portfolio. The amount of the allowance is based on management's evaluation of the collectability of the loan portfolio, reflecting the nature of the portfolio, credit concentrations, trends in historical loss experience, and general economic conditions. The allowance is increased by an annual provision for loan losses, which is reported as an expense and is reduced by any loan write-offs, net of recoveries. Because of uncertainties inherent in the estimation process, management's estimate of credit losses inherent in the loan portfolio, and the related allowance, may change in future periods.

#### **Investments**

CSH's investments in fixed-income securities are reported at their quoted fair market values. Included in fixed-income securities are corporate, government and agency bonds, and bond mutual funds which are reported at their fair market values, as determined by the related investment managers. Money market funds held by investment advisors as a part of the portfolio are reported as investments in the accompanying consolidated statements of financial position. Net realized and unrealized gains and losses are reported in the accompanying consolidated statements of activities.

CSH's investment in an alternative security, consisting of a limited liability company, is reported at its fair value. This alternative investment may have restrictions as to its marketability that could affect CSH's ability to liquidate the investment quickly. Estimated fair value may differ significantly from the value that would have been used had a ready market for this security existed.

CSH's primary investment objective is to maximize total return with minimal risk. The stated goal is to preserve capital that is intended for CSH's charitable mission, while also generating cash flow to support its operations. CSH's various types of investment securities are subject to various risks, such as an interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of those securities could occur in the near term and that such changes could materially affect the amounts reported in the accompanying consolidated financial statements.

#### **Property and equipment**

Property and equipment are stated at their original costs, less accumulated depreciation or amortization. Donated assets are recorded at their related fair market values on the dates of the gifts. CSH's policy is to capitalize all acquisitions in excess of \$5,000 and with useful lives in excess of one year. Furniture and office equipment are depreciated using the straight-line method over their estimated useful lives or the respective lease terms, whichever is shorter. Leasehold improvements are amortized over their estimated useful lives or the respective lease terms, whichever is shorter.

#### **Accrued paid time off**

CSH's employees are entitled to be paid for unused personal time off ("PTO") if they leave CSH's employ. Accordingly, at each fiscal year-end, CSH must recognize a liability for the amount that would be incurred if employees with such unused vacation were to leave their employ. At December 31, 2021 and 2020, this accrued vacation obligation was approximately \$1,547,237 and \$1,517,507, respectively, and is included as a component of accounts payable and accrued expenses on the accompanying consolidated statements of financial position.

## Corporation for Supportive Housing and its Subsidiaries

### Notes to Consolidated Financial Statements December 31, 2021 and 2020

#### Deferred rent

CSH records rent expense on a straight-line basis on its office leases that have material fixed annual rental increases. The difference between rent expense and payments made under such leases is reflected as deferred rent and is recorded as a component of accounts payable and accrued expenses on the accompanying consolidated statements of financial position.

#### Net assets

**Basis of presentation** - The financial statements of CSH have been prepared in accordance with US GAAP, which require CSH to report information regarding its financial position and activities according to the following net asset classifications:

**Net assets without donor restrictions:** Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of CSH's management and the board of directors.

**Net assets with donor restrictions:** Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of CSH or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the consolidated statements of activities.

#### Grants and contributions

Contributions to CSH are recognized as revenue in the accompanying consolidated statements of activities upon the receipt either of cash, other assets or of unconditional pledges. Grant revenue is recognized based on the terms of each individual grant. Conditional promises to give - that is, those with a measurable performance or other barrier and a right of return - are not recognized until the conditions on which they depend have been met. Grants and contributions are considered available for unrestricted use, unless specifically restricted by the donor. Grants and contributions to be received over periods longer than one year are discounted at an interest rate commensurate with the risk involved.

#### Contract services

Revenue from cost-reimbursement contracts is recognized when reimbursable expenses are incurred under the terms of the contracts. Contract proceeds received in advance are recorded as advances from federal, state, local, and private agencies and are presented on the accompanying consolidated statements of financial position as a component of advances on contracts.

#### Allocation of expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the accompanying consolidated statements of functional expenses. Accordingly, certain expenses have been allocated among the programs and supporting services based on reasonable allocations determined by management.

The expenses that are allocated and the method of allocation include the following:

## Corporation for Supportive Housing and its Subsidiaries

### Notes to Consolidated Financial Statements December 31, 2021 and 2020

| Expense                          | Method of Allocation |
|----------------------------------|----------------------|
| Salaries and benefits            | Time and effort      |
| Rent, utilities, and maintenance | Full time equivalent |
| Telephone                        | Time and effort      |
| Supplies                         | Time and effort      |
| Insurance                        | Time and effort      |

#### Grants and direct support

Grants and direct support to others are recognized as expenses in the period the grants are approved. At December 31, 2021, the majority of outstanding grants payable are expected to be paid within one year.

#### Income taxes

CSH is exempt from income taxes under Section 501(c)(3) of the U.S. Internal Revenue Code (the "IRC") and from state and local taxes under comparable laws.

The HC uses the asset and liability method to account for deferred income taxes. Under this method, assets and liabilities are recognized for the future tax attributable to differences between the financial statement carrying amounts and the respective tax basis. Deferred tax assets and liabilities are measured using enacted tax rates expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in the tax rate is recognized in the period that includes the enactment date. Deferred tax assets are only recognized to the extent that it is more likely than not that they will be realized based on consideration of available evidence, including tax planning strategies and other factors.

As of December 31, 2021 and 2020, the HC did not engage in activity requiring the recognition of a deferred tax asset or liability or recording a current provision for income taxes.

CSH is the single member of the Solutions Fund. As such, the Solutions Fund is treated as a disregarded entity under the IRC and CSH reports the activities of the Solutions Fund and the existence of its controlling interest in the Solutions Fund on CSH's tax return.

CSH and the HC are required to file and do file tax returns with the Internal Revenue Service ("IRS") and other taxing authorities. Income tax returns filed by CSH and the HC are subject to examination by the IRS for a period of three years. While no income tax returns are currently being examined by the IRS, tax years since 2018 remain open.

#### Fair value measurement

CSH reports a fair value measurement for all applicable financial assets and liabilities including investments, grants and contributions receivable, loans receivable, short-term payables and loans payable. (For fair valuation of investments, see Note G.)

#### Administrative agent cash

During 2012, in connection with its working relationship with the Connecticut Housing Finance Authority (the "CHFA"), CSH was appointed as an agent for the administration of operating reserve accounts for several projects into which the CHFA and various limited-liability companies (the "Companies") had entered. As a result, CSH maintains control of the funds deposited by the CHFA to each of the Companies' operating reserve accounts to assist in the operation of these projects. Under the terms of its agreement with the CHFA, CSH will process the corresponding drawdown requests and payments.

## **Corporation for Supportive Housing and its Subsidiaries**

### **Notes to Consolidated Financial Statements December 31, 2021 and 2020**

The funds received for distribution from the CHFA are reported as a restricted cash asset and corresponding liability in the accompanying consolidated financial statements. CSH receives an annual fee from each of the Companies for the administration of these operating reserve accounts.

During 2020, in connection with its working relationship with the Connecticut Department of Housing (the "DOH"), CSH was appointed as an agent for the administration of operating reserve accounts for several projects into which the DOH and various limited-liability companies (the "Companies") had entered. As a result, CSH maintains control of the funds deposited by the DOH to each of the Companies' operating reserve accounts to assist in the operation of these projects. Under the terms of its agreement with the DOH, CSH will process the corresponding drawdown requests and payments.

The funds received for distribution from the DOH are reported as a restricted cash asset and corresponding liability in the accompanying consolidated financial statements. CSH receives compensation from DOH for the administration of these operating reserve accounts under a separate contract.

#### **Reclassification of prior year presentation**

Certain prior year amounts have been reclassified for consistency with the current year presentation. These reclassifications had no effect on the reported net assets. An adjustment has been made to the consolidated statements of financial position, consolidated statement of cash flows and consolidating statements of financial position for fiscal year ended December 31, 2020, to reclassify cash equivalents from current investments.

#### **Subsequent events**

Material subsequent events have been considered for recognition and disclosure in these consolidated financial statements through June 27, 2022, the date the consolidated financial statements were available to be issued and the Organization has concluded that no subsequent events have occurred that would require recognition in the consolidated financial statements or disclosure in the notes to the consolidated financial statements.

#### **New Authoritative Pronouncements Not Yet Adopted by CSH**

In February 2016, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update No. 2016-02, Leases (ASU 842). ASU 842 establishes a right-of-use ("ROU") model that requires a lessee to record a ROU asset and a lease liability on the statement of financial position for all leases with terms longer than 12 months. ASU 842 is effective for annual reporting periods that begin after December 15, 2021 for nonpublic entities and any interim periods within annual reporting periods that begin after December 15, 2022. The new guidance is expected to have a material effect on the financial statements due to the recognition of a ROU asset and related liability on the consolidated statement of financial position, which CSH is currently in the process of quantifying.

**Corporation for Supportive Housing and its Subsidiaries**

**Notes to Consolidated Financial Statements  
December 31, 2021 and 2020**

**Note B - Liquidity and availability**

The table below represents financial assets available for general expenditures within one year at December 31, 2021 and 2020:

| Financial assets at year end:  | 2021          | 2020          |
|--|---------------|---------------|
| Cash and cash equivalents  | \$ 29,563,502 | \$ 40,414,040 |
| Cash restricted - administrative agent cash  | 15,830,460    | 9,259,033     |
| Investments  | 27,498,882    | 11,613,243    |
| Grants and contributions receivable, net   | 2,971,214     | 4,050,345     |
| Contracts receivable, net  | 6,886,652     | 8,483,623     |
| Loans receivable, net  | 25,228,478    | 35,887,029    |
| Other receivables, net   | 1,690,514     | 1,035,329     |
| Total financial assets   | 109,669,702   | 110,742,642   |
| Less amounts not available to be used within one year:                                   |               |               |
| Cash restricted - administrative agent cash  | (15,830,460)  | (9,259,033)   |
| Cash and cash equivalents  | (4,754,424)   | (9,906,732)   |
| Net assets with donor restrictions net of<br>current grants and contributions receivable | (27,727,980)  | (24,172,964)  |
| Loans receivable, net  | (11,735,499)  | (16,061,611)  |
| Financial assets not available to be used within one year                                | (60,048,363)  | (59,400,340)  |
| Financial assets available to meet general expenditures within one year                  | \$ 49,621,339 | \$ 51,342,302 |

As of December 31, 2021, CSH has a working capital of \$110,588 and average days (based on normal expenditures) cash on hand of approximately 267 days. Additionally, CSH has an internal policy of maintaining six months of operating reserves.

As discussed in Note A, CSH was appointed as an agent for the administration of operating reserve accounts for several projects into the CHFA, DOH and various LLCs. As a result, CSH maintains control of the funds deposited by the CHFA and DOH to each of the company's operating reserve accounts to assist in the operations of these projects and therefore these amounts are not available for general expenditures.

Cash and cash equivalents not available for use consist of the amounts of cash and cash equivalents of Solutions Fund which are designated by policy to be utilized by the Solutions Fund in accordance with its mission. However, these amounts could be made available to CSH for general expenditures if necessary. Loans receivable not available for use consist of the amounts of loans receivable of the Solutions Fund that are funded by various loans payable of the Solutions Fund which are designated by those related loans payable agreements to be utilized by the Solutions Fund in accordance with its mission.

**Corporation for Supportive Housing and its Subsidiaries**

**Notes to Consolidated Financial Statements  
December 31, 2021 and 2020**

**Note C - Grants and contributions receivable**

At each year-end, grants and contributions receivable consisted of the following:

|  | <u>2021</u>                | <u>2020</u>                |
|--|----------------------------|----------------------------|
| Gross amounts due in:  |                            |                            |
| One year   | \$ 2,971,214               | \$ 4,050,345               |
| One to five years  | <u>351,691</u>             | <u>4,452,777</u>           |
|  | 3,322,905                  | 8,503,122                  |
| Less reduction of grants and contributions due<br>in excess of one year, at a discount rate of 2.25%<br>and 1.5% for years ending 2021 and 2020,<br>respectively | <u>(29,256)</u>            | <u>(261,419)</u>           |
|  | <u><u>\$ 3,293,649</u></u> | <u><u>\$ 8,241,703</u></u> |

Based on its communications with donors and a review of its donor base, management expects all of the grants and contracts receivable to be fully collected.

**Note D - Loans receivable**

Loans receivable represent short-term and long-term loans made to developers of supportive housing. Loans support the borrowers' predevelopment, acquisition, construction, and "mini-perm" cash flow requirements related to the establishment of permanent supportive housing for individuals and families with special needs. The loan portfolio contains loans with interest rates ranging from 0% to 7.0% and with repayment terms of up to eight years.

Loans receivable consist of the following four primary classes: Acquisition and predevelopment loans, Predevelopment loans, Project Initiation Loans ("PILS") and Mini Permanent loans.

Acquisition and predevelopment loans are made available to provide financing for real estate acquisition in connection with the development of permanent supportive housing. Acquisition and predevelopment loans are offered alone as just an acquisition loan or in combination with both acquisition and predevelopment loans. Predevelopment loans are made available to fund predevelopment costs - such as architect, engineering and permit fees - incurred prior to the start of construction. PILS are early stage loans designed to encourage real estate developers to take on permanent supportive housing projects by financing the costs related to a project's feasibility stage. Mini-Permanent loans are made available for projects that have completed construction.

**Corporation for Supportive Housing and its Subsidiaries**

**Notes to Consolidated Financial Statements  
December 31, 2021 and 2020**

Loans receivable, by class, as of December 31, 2021 and 2020, were as follows:

|   | 2021      |                      | 2020      |                      |
|---|-----------|----------------------|-----------|----------------------|
| Acquisition and predevelopment          | 30        | \$ 82,612,084        | 43        | \$ 71,006,671        |
| Predevelopment                          | 31        | 12,392,477           | 29        | 11,970,166           |
| Project initiation loans                | 13        | 750,000              | 15        | 653,045              |
| Mini permanent                          | 3         | 2,310,272            | 3         | 2,347,285            |
| Other                                   | -         | -                    | -         | -                    |
| <b>Total loans receivable</b>           | <b>77</b> | <b>98,064,833</b>    | <b>90</b> | <b>85,977,167</b>    |
| Less: Allowance for uncollectible loans |           | <b>(1,607,413)</b>   |           | <b>(2,235,838)</b>   |
| <b>Loans receivable, net</b>            |           | <b>\$ 96,457,420</b> |           | <b>\$ 83,741,328</b> |

An aging of loans receivable, by class, as of December 31, 2021 and 2020, is as follows:

| December 31, 2021              | Beginning Balance   | (Recovery of)           |                     | Recoveries        | Total               |
|--------------------------------|---------------------|-------------------------|---------------------|-------------------|---------------------|
|                                |                     | Provision for loan loss | Write-off           |                   |                     |
| Acquisition and predevelopment | \$ 1,614,273        | \$ (990,695)            | \$ -                | \$ 528,000        | \$ 1,151,578        |

## Corporation for Supportive Housing and its Subsidiaries

### Notes to Consolidated Financial Statements December 31, 2021 and 2020

CSH maintains a loan monitoring committee to review various economic conditions which may affect its loan program. The loan monitoring committee meets periodically throughout the year to review CSH's loan portfolio, its inherent risks, the risk rating of specific loans, the strategies intended to facilitate timely loan repayment, and assignments to staff members for follow-up and collection. Generally, the risk rating for loans provides for a measurement of the credit quality of the loan portfolio through the following five categories: strong, good, acceptable, weak and doubtful. Loans receivable are written off when the near-term prospects for collection appear remote and it is doubtful that a loan is considered partially or fully collectible.

Loans receivable, by class and credit quality category, as of December 31, 2021 and 2020, are as follows:

| December 31, 2021              | Strong              | Good                 | Acceptable           | Weak                | Doubtful    | Total                |
|--------------------------------|---------------------|----------------------|----------------------|---------------------|-------------|----------------------|
| Acquisition and predevelopment | \$ 5,797,604        | \$ 61,069,326        | \$ 14,305,854        | \$ 1,439,300        | \$ -        | \$ 82,612,084        |
| Predevelopment                 | 1,114,160           | 8,496,577            | 2,550,000            | 231,740             | -           | 12,392,477           |
| Project initiation loans       | -                   | -                    | 750,000              | -                   | -           | 750,000              |
| Mini permanent                 | 434,514             | 1,875,758            | -                    | -                   | -           | 2,310,272            |
|                                | <u>\$ 7,346,278</u> | <u>\$ 71,441,661</u> | <u>\$ 17,605,854</u> | <u>\$ 1,671,040</u> | <u>\$ -</u> | <u>\$ 98,064,833</u> |

  

| December 31, 2020              | Strong              | Good                 | Acceptable          | Weak                | Doubtful          | Total                |
|--------------------------------|---------------------|----------------------|---------------------|---------------------|-------------------|----------------------|
| Acquisition and predevelopment | \$ 8,289,986        | \$ 53,474,583        | \$ 5,606,535        | \$ 3,670,000        | \$ -              | \$ 71,041,104        |
| Predevelopment                 | 1,114,160           | 8,228,035            | 2,050,000           | 277,971             | 300,000           | 11,970,166           |
| Project initiation loans       | -                   | -                    | 653,045             | -                   | -                 | 653,045              |
| Mini permanent                 | -                   | 2,312,852            | -                   | -                   | -                 | 2,312,852            |
|                                | <u>\$ 9,404,146</u> | <u>\$ 64,015,470</u> | <u>\$ 8,309,580</u> | <u>\$ 3,947,971</u> | <u>\$ 300,000</u> | <u>\$ 85,977,167</u> |

Additionally, to further mitigate its risk, CSH secured a \$5,000,000 restricted grant from the City of Los Angeles to cover loan losses in its Los Angeles loan fund. It also secured a \$435,000 loan from the State of Indiana Housing and Community Development Authority (as disclosed in Note I), and a \$171,300 loan from the Ohio Housing Finance Authority (as disclosed in Note I), with a provision that CSH will not repay any actual losses resulting from providing project-initiation loans underwritten in either of those two states. CSH had a loss on a project-initiation loan in Indiana of \$36,863 in 2021 which reduced the State of Indiana Housing and Community Development Authority loan to \$398,107 (as disclosed in Note I).

During the years ended December 31, 2021 and 2020, \$19,062,819 and \$30,209,103, respectively, of loans receivable were modified to include extensions of maturity dates, ranging from one to two years at similar terms for those organizations. As of December 31, 2021 and 2020, \$29,919,517 and \$30,209,103, respectively, of outstanding loans receivable have been restructured in this manner.

As of December 31, 2021, there were two loans receivable that were considered impaired. There were three loans receivable that were considered impaired along with one additional loan placed on non-accrual (total of two non-accrual loans outstanding in the portfolio) status at December 31, 2020.

## Corporation for Supportive Housing and its Subsidiaries

### Notes to Consolidated Financial Statements December 31, 2021 and 2020

During the year ended December 31, 2021, there was a recovery of a loan receivable written off in 2018 for \$528,000. Subsequent to the year ended December 31, 2021, there was an additional recovery of a \$300,000 loan receivable written off in 2021.

CSH has lending policies and procedures in place to underwrite and monitor loans for its portfolio. For each loan, CSH conducts a risk rating analysis based on the loan type (acquisition and predevelopment, predevelopment, project initiation loans, mini permanent, and other) by reviewing the following criteria: management rating, financial condition, real estate development capacity and experience, project viability, collateral, take-out financing status and the local real estate market. Each criterion is rated. The five rating categories are: strong, good, acceptable, weak and doubtful. When the risk rating on a loan has been listed as doubtful, it is considered to be a partially or fully uncollectable loan. The Organization conducts a comprehensive review of all outstanding loans at least annually.

As part of CSH's risk rating analysis, a corresponding reserve has been allocated to each loan in the loan portfolio. The total of these reserves as indicated by CSH's risk rating analysis for the years ended December 31, 2021 and 2020 was \$1,607,413 (1.6% of the loan portfolio) and \$2,235,838 (2.6% of the loan portfolio), respectively.

#### Note E - Contracts receivable

Contracts receivable consist of amounts due to CSH from federal, state, local and private agencies. All amounts are due within one year. Based on management's evaluation of the collectability of the receivables, at December 31, 2021, CSH recorded an allowance for uncollectible receivables for \$269,036. CSH did not record an allowance for uncollectible receivables as of December 31, 2020.

Contracts are recorded as revenue to the extent that expenses have been incurred for the purposes specified by the underlying contract agreements. For 2021 and 2020, advances on contracts received in excess of amounts spent were \$777,131 and \$572,625, respectively.

#### Note F - Other receivables

Other receivables consist primarily of fees and accrued interest relating to CSH's loan portfolio due from unrelated not-for-profit organizations, as disclosed in Note D. Based on management's evaluation of the collectability of the receivables, at December 31, 2021 and 2020, CSH has recorded an allowance for uncollectible receivables of \$30,296 and \$149,346, respectively.

#### Note G - Investments

At each year-end, investments were reported at their fair values and consisted of the following:

|  | 2021                 |                      | 2020                 |                      |
|--|----------------------|----------------------|----------------------|----------------------|
|  | Fair value           | Cost                 | Fair value           | Cost                 |
| Corporate and government fixed-income securities | \$ 21,252,394        | \$ 20,965,169        | \$ 21,297,557        | \$ 20,497,332        |
| Money market funds                               | 15,997,263           | 15,997,263           | 240,406              | 240,406              |
| Limited liability company                        | -                    | -                    | 500,000              | 500,000              |
|  | <u>\$ 37,249,657</u> | <u>\$ 36,962,432</u> | <u>\$ 22,037,963</u> | <u>\$ 21,237,738</u> |

**Corporation for Supportive Housing and its Subsidiaries**

**Notes to Consolidated Financial Statements  
December 31, 2021 and 2020**

During each year, indchvestment (losses) income consisted of the following:

|  | 2021         | 2020       |
|--|--------------|------------|
| Interest and dividends                       | \$ 241,434   | \$ 400,689 |
| Net unrealized (losses) gains on investments | (513,000)    | 257,179    |
| Net realized gains on sales of investments   | 22,294       | 15,979     |
|  | \$ (249,272) | \$ 673,847 |

The Organization uses a framework for measuring fair value that includes a hierarchy that categorizes and prioritizes the sources used to measure and disclose fair value as follows:

- Level 1: Valuations are based on observable inputs that reflect quoted market prices in active markets for the same or identical assets and liabilities at the reporting date.
- Level 2: Valuations are based on: (i) quoted prices for similar assets or liabilities in active markets; or (ii) quoted prices for identical or similar assets or liabilities in markets that are not active; or (iii) pricing inputs other than quoted prices that are directly or indirectly observable at the reporting date. Level 2 assets include those securities that are redeemable at or near the balance sheet date and for which a model was derived for valuation.
- Level 3: Fair value is determined based on pricing inputs that are unobservable and includes situations where: (i) there is little, if any, market activity for the asset or liability; or (ii) the underlying investments of which cannot be independently valued; or (iii) they cannot be immediately redeemed at or near the fiscal year-end.

The following tables summarize the fair values of investments at each year-end, in accordance with the valuation-hierarchy levels:

|  | December 31, 2021 |               |            |               |
|--|-------------------|---------------|------------|---------------|
|  | Level 1           | Level 2       | Level 3    | Total         |
| Corporate and government fixed-income securities | \$ -              | \$ 21,252,394 | \$ -       | \$ 21,252,394 |
| Money market funds                               | 15,997,263        | -             | -          | 15,997,263    |
| Limited liability company                        | -                 | -             | -          | -             |
|  | \$ 15,997,263     | \$ 21,252,394 | \$ -       | \$ 37,249,657 |

|  | Level 1           | Level 2       | Level 3    | Total         |
| Corporate and government fixed-income securities | \$ -              | \$ 21,297,557 | \$ -       | \$ 21,297,557 |
| Money market funds                               | 240,406           | -             | -          | 240,406       |
| Limited liability company                        | -                 | -             | 500,000    | 500,000       |
|  | \$ 240,406        | \$ 21,297,557 | \$ 500,000 | \$ 22,037,963 |

During the year ended December 2015, CSH invested \$500,000 in investment capital in a limited liability company, Massachusetts Alliance for Supportive Housing, LLC ("MASH"), a Massachusetts limited liability company. Massachusetts Housing and Shelter Alliance ("MHSA"), a 501(c)(3) not-for-profit organization, is the 100% owner of MASH. The purpose is to provide investment capital to the Pay for Success Homeless Initiative which provides low threshold permanent supportive housing to high use homeless individuals via a contract with the Commonwealth of Massachusetts. The investment is for a period of six years with a variable rate of interest linked to the success of

**Corporation for Supportive Housing and its Subsidiaries**

**Notes to Consolidated Financial Statements  
December 31, 2021 and 2020**

the Pay for Success Homeless Initiative. The valuation of this investment is based on the best available success rate at the date of the consolidated financial statements, at which time no impairment existed. The project ended in November 2021 and the investment capital was returned to CSH.

**Note H - Property and equipment**

At each year-end, property and equipment consisted of the following:

|  | <u>2021</u>      | <u>2020</u>      |
|--|------------------|------------------|
| Furniture and office equipment                 | \$ 557,144       | \$ 601,944       |
| Leasehold improvements                         | <u>270,864</u>   | <u>270,864</u>   |
|  | 828,008          | 872,808          |
| Less accumulated depreciation and amortization | <u>(813,898)</u> | <u>(788,600)</u> |
|  | <u>\$ 14,110</u> | <u>\$ 84,208</u> |

| HSBC CARES ACT PPP Funds<br>Interest is payable at 1.0% through maturity, May 24, 2025.                                   | <u>2,953,009</u>            | <u>3,123,939</u>            |
|   | <u><u>\$ 98,291,501</u></u> | <u><u>\$ 94,576,322</u></u> |

The required principal payments on the above obligations in each of the five years subsequent to 2021 are as follows:

| <u>Year Ending<br/>December 31,</u> | <u>Amount</u> |
|-------------------------------------|---------------|
| 2022                                | \$ 17,252,112 |
| 2023                                | 866,744       |
| 2024                                | 8,311,507     |
| 2025                                | 37,159,140    |
| 2026                                | 15,100,000    |

Interest expense for 2021 and 2020 was \$5,065,697 and \$5,485,004, respectively, including \$3,059,593 and \$2,974,717, respectively, of in-kind interest (as disclosed in Note J).

## Corporation for Supportive Housing and its Subsidiaries

### Notes to Consolidated Financial Statements December 31, 2021 and 2020

During February 2020, the Conrad N. Hilton Foundation ("Hilton") approved the conversion of a \$4,000,000 loan payable, that CSH has had since 2014, to a contribution to continue support of its lending activities in Los Angeles. The conversion was effective beginning January 1, 2020. Accordingly, upon conversion of the loan payable, the contribution was recorded as a component of net assets with donor restrictions.

In 2021, CSH entered into subordinated loan agreements with the Annie E. Casey Foundation, Conrad Hilton Foundation and Robert Wood Johnson Foundation. These loan agreements are unsecured and subordinated to CSH's obligations to other creditors. Interest rates with these loans range from 0% - 2.5% and maturing on July 31, 2030. As of December 31, 2021, outstanding balance of these loans amounted to \$7,463,000.

As of December 31, 2021 and 2020, the Solutions Fund had \$97,000,000 and \$95,000,000, respectively, in open lines of credit available to it, of which \$47,133,000 and \$45,710,000, respectively, was drawn and is included as a component of loans payable on the accompanying consolidated statements of financial position. Except for its loan payable with the Federal Home Loan Bank of New York which is collateralized with investments in government fixed-income securities valued at approximately \$7,471,000 as of December 31, 2021, CSH's loans payable are unsecured. Certain of the loans payable contain covenants that require CSH and the Solutions Fund to provide reporting on a periodic basis and to meet and maintain specific financial ratios. As of December 31, 2021, CSH and the Solutions Fund were in compliance with all covenants. Additionally, certain loans payable held by the Solutions Fund are guaranteed by CSH. However, as of December 31, 2021, no events have occurred with the loans payable of the Solutions Fund that would require CSH to perform under its guarantee obligations.

On May 1, 2020, CSH obtained a promissory note totaling \$3,123,939 under the Small Business Administration ("SBA")'s Paycheck Protection Program ("PPP") that is part of The Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") stimulus relief. The note bears interest at 1% and requires monthly payments of principal and interest on the outstanding principal balance, unless otherwise forgiven in whole or part by the SBA under the CARES Act. CSH has up to 10 months after the end of the covered period, which is currently 24 weeks, to apply for full forgiveness. Forgiveness requests after that period would forfeit any P&I payments already paid. If the note is not forgiven, payments will begin the later of 10 months after the date the covered period ends or the date the SBA remits the forgiveness amount. The terms of the promissory note are subject to change depending on final regulation or legislation enacted. CSH did not apply for forgiveness of the loan and began making P&I payments in October 2021. The PPP loan balances of \$854,006 and \$2,099,003 were included in current loan payables and noncurrent loan payables, respectively, in the accompanying consolidated statement of financial position as of December 31, 2021. As of December 31, 2020, CSH reported the PPP loan balance of \$3,123,939 as noncurrent loan payable in the accompanying consolidated statement of financial position.

#### **Note J - In-kind contributions**

As disclosed in Note I, loans payable consist of loans that bear either no interest or interest at below-market rates. The difference between interest computed at a reasonable fair-market rate (5%) and at the stated interest rates was included in the accompanying consolidated statements of activities as an in-kind contribution and corresponding expense. This amount was determined to be \$3,059,593 and \$2,974,717 for 2021 and 2020, respectively.

**Corporation for Supportive Housing and its Subsidiaries**

**Notes to Consolidated Financial Statements  
December 31, 2021 and 2020**

Additionally, during the years ended December 31, 2021 and 2020, CSH received contributed consulting (legal) services, with a fair value on the date of donation, of \$70,429 and \$0 for 2021 and 2020, respectively.

**Note K - Concentration of credit risk**

CSH places its temporary cash investments with high-credit-quality financial institutions. At times, such investments may exceed federally insured limits. Management does not believe that CSH has a significant risk of loss related to the failure of these financial institutions.

CSH makes loans to not-for-profit organizations that are primarily engaged in residential real-estate development funded by state agencies. The ability of these organizations to honor their contracts may be impaired by a downturn in the economy or by a reduction in the availability of government funding and support for projects. Management continually evaluates the collectability of the loan portfolio and believes the allowance for uncollectible loans is adequate to absorb potential losses.

**Note L - Net assets with donor restrictions**

At each year-end, net assets with donor restrictions were available to satisfy the following purposes:

|                                     | December 31,                |                             |
|-------------------------------------|-----------------------------|-----------------------------|
|                                     | 2021                        | 2020                        |
|                                     | <u>                    </u> | <u>                    </u> |
| Specific programs:                  |                             |                             |
| Lead supportive housing industry    | \$ 824,739                  | \$ 785,763                  |
| Expand access to supportive housing | 6,406,569                   | 8,048,272                   |
| Deploy and leverage capital         | 18,066,716                  | 13,733,187                  |
| Improve and sustain quality         | 5,401,170                   | 5,656,087                   |
|                                     | <u>                    </u> | <u>                    </u> |
|                                     | <u>\$ 30,699,194</u>        | <u>\$ 28,223,309</u>        |

During each year, net assets released from restrictions consisted of the following:

|                                     | December 31,                |                             |
|-------------------------------------|-----------------------------|-----------------------------|
|                                     | 2021                        | 2020                        |
|                                     | <u>                    </u> | <u>                    </u> |
| Specific programs:                  |                             |                             |
| Lead supportive housing industry    | \$ 893,323                  | \$ 1,624,776                |

| Deploy and leverage capital         | 2,115,035                   | 1,562,455                   |
| Improve and sustain quality         | 2,286,587                   | 1,992,075                   |
|                                     | <u>                    </u> | <u>                    </u> |
|                                     | <u>\$ 8,285,432</u>         | <u>\$ 7,844,577</u>         |

## Corporation for Supportive Housing and its Subsidiaries

### Notes to Consolidated Financial Statements December 31, 2021 and 2020

#### Note M - Retirement plan

CSH maintains a Section 403(b) tax-deferred retirement savings plan for the benefit of its employees. Contributions by CSH are discretionary and can be made only with the approval of the Board of Directors. Contributions by CSH during 2021 and 2020 were \$516,545 and \$563,698, respectively, and are included as a component of employee benefits and payroll taxes on the accompanying consolidated statements of functional expenses.

#### Note N - New markets tax credit program

As disclosed in Note A, in conjunction with its role as the managing member of the LLCs, CSH earns a fee based on 0.01% of any income earned by each LLC. CSH is also entitled to administrative fees and annual management fees related to any NMTC qualified investment. During the years ended December 31, 2021 and 2020, CSH earned fees totaling \$1,328,614 and \$1,065,815 relating to such qualified equity investments, respectively, and are included as a component of new market tax credit program fees on the accompanying consolidated statements of activities. During the years ended December 31, 2021 and 2020, CSH also closed on new Qualified Low-Income Community Investment ("QLICI") loans to three and four projects, which earned \$1,282,500 and \$1,705,000, respectively, in sub allocation fees, which are also included as a component of new market tax credit program fees on the accompanying consolidated statements of activities.

#### Note O - Commitments and contingencies

##### Litigation

In the ordinary course of business, CSH can be party to certain legal proceedings. In the opinion of management and legal counsel, the resolution of such matters will not have a material impact on CSH's operations or financial condition.

##### Lease commitments

At December 31, 2021, CSH was obligated under various non-cancelable operating real estate leases expiring through 2027. For years subsequent to 2021, minimum annual future rental commitments under the lease agreements are as follows:

| Year Ending<br>December 31, | Amount              |
|-----------------------------|---------------------|
| 2022                        | \$ 1,075,935        |
| 2023                        | 1,026,156           |
| 2024                        | 354,744             |
| 2025                        | 220,056             |
| 2026                        | 152,712             |
| Thereafter                  | <u>101,808</u>      |
| Total                       | <u>\$ 2,931,411</u> |

Total rent expense for 2021 and 2020 was \$1,100,184 and \$1,180,313, respectively, and is included as a component of rent, utilities, and maintenance on the accompanying consolidated statements of functional expenses.

## Corporation for Supportive Housing and its Subsidiaries

### Notes to Consolidated Financial Statements December 31, 2021 and 2020

#### **Loan commitments**

As of December 31, 2021, CSH's Board of Directors had approved loan commitments totaling \$48,024,490. These amounts are expected to be disbursed as loans in 2022.

#### **Grant commitments**

As of December 31, 2020, CSH's Board of Directors had approved a grant commitment totaling \$1,497,500 where contingent commitments have been issued to the grantee. The grant was fully awarded in 2021.

#### **COVID-19**

In early 2020, an outbreak of a novel strain of coronavirus (COVID-19) emerged globally. As a result, events have occurred including mandates from federal, state and local authorities leading to an overall decline in economic activity which could result in a loss of revenue and other material adverse effects to CSH's financial position, results of operations, and cash flows. CSH is not able to reliably estimate the length or severity of this outbreak and the related financial impact.

## Corporation for Supportive Housing and its Subsidiaries

### Notes to Schedule of Expenditures of Federal Awards December 31, 2021

#### **Note A - Basis of Presentation**

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of the Corporation for Supportive Housing and its Subsidiaries under programs of the federal government for the year ended December 31, 2021. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the "Uniform Guidance"). Because the Schedule presents only a selected portion of the operations of Corporation for Supportive Housing and its Subsidiaries, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Corporation for Supportive Housing and its Subsidiaries.

#### **Note B - Summary of significant accounting policies**

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

#### **Note C - Indirect Cost Rate**

Corporation for Supportive Housing and its Subsidiaries has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

Report on Internal Control over Financial Reporting and on  
Compliance and Other Matters Based on an Audit of Financial Statements  
Performed in Accordance with *Government Auditing Standards*

To the Board of Directors  
Corporation for Supportive Housing

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Corporation for Supportive Housing and its Subsidiaries, which comprise the Corporation for Supportive Housing and its Subsidiaries' consolidated statement of financial position as of December 31, 2021, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 27, 2022. The financial statements of certain subsidiaries were not audited in accordance with *Government Auditing Standards*, and accordingly, this report does not include reporting on internal control over financial reporting or instances of reportable noncompliance associated with these subsidiaries.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Corporation for Supportive Housing and its Subsidiaries' internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation for Supportive Housing and its Subsidiaries' internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation for Supportive Housing and its Subsidiaries' internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

## Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Corporation for Supportive Housing and its Subsidiaries' consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program and on  
Internal Control over Compliance Required by the Uniform Guidance

To the Board of Directors  
Corporation for Supportive Housing

Report on Compliance for Each Major Federal Program

*Opinion on Each Major Federal Program*

We have audited Corporation for Supportive Housing and its Subsidiaries' compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Corporation for Supportive Housing and its Subsidiaries' major federal programs for the year ended December 31, 2021. Corporation for Supportive Housing and its Subsidiaries' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Corporation for Supportive Housing and its Subsidiaries complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2021.

*Basis for Opinion on Each Major Federal Program*

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America ("GAAS"); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States ("*Government Auditing Standards*"); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Corporation for Supportive Housing and its Subsidiaries and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Corporation for Supportive Housing and its Subsidiaries' compliance with the compliance requirements referred to above.

*Responsibilities of Management for Compliance*

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Corporation for Supportive Housing and its Subsidiaries' federal programs.

### *Auditor's Responsibilities for the Audit of Compliance*

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Corporation for Supportive Housing and its Subsidiaries' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Corporation for Supportive Housing and its Subsidiaries' compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Corporation for Supportive Housing and its Subsidiaries' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Corporation for Supportive Housing and its Subsidiaries' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Corporation for Supportive Housing and its Subsidiaries' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### Report on Internal Control Over Compliance

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
