Pennsylvania Supportive Housing Coalition LinkedIn Networking Site Guidelines

Overview

The Supportive Housing Coalition was founded in 2023 to advance policy priorities and collaboration related to creating and sustaining supportive housing opportunities in communities across Pennsylvania. This site is meant to provide coalition members with an inclusive and nonjudgmental venue to connect, share resources and updates, and establish stronger partnerships across Pennsylvania.

Coalition members can and should use this space for:

- Networking
  - Identifying potential partners and collaborations
  - Expanding each coalition member's access to other organizations and parties across PA
- Organizational announcements
  - Resources
  - Events
  - Fundraisers
  - Advocacy Alerts
- Questions about challenges with service delivery, resources, and access to housing
- Sharing best practices
- Sharing education and training materials
- Celebrating Successes
- News/Media related to supportive housing
  - Groundbreakings
  - Local Initiatives

CSH as the owner of the account reserves the right to remove members who engage in any of the following behaviors:

- Expressing partisan or political viewpoints
- Calling out or discussing a specific organization or individual for bad practices
- Sharing participants personal stories/imagery without permission
- Not maintaining anonymity and confidentiality of clients
- Using racially explicit or any language that is deemed offensive or derogatory
